SUMMARY

I'm a motivated Full Stack Web Developer (Fresher) with hands-on experience in Python, MySQL, HTML, CSS, JavaScript, and Bootstrap. I've built responsive static websites and connected them with backend databases. I genuinely enjoy writing clean, efficient code and love exploring new technologies. I'm always eager to learn and excited about creating web applications that are not just functional, but scalable and user-friendly.

PROFESSIONAL EXPERIENCE

Supermarket Management System

- Tech Stack: Python, MySQL, HTML, CSS, JavaScript, AJAX, jQuery

Developed a dynamic web application to manage supermarket operations, including employee management, product inventory, supplier records, sales tracking, and payment processing.

Implemented CRUD functionality for products, employees, and suppliers using Python and MySQL.

Integrated AJAX and jQuery to enable smooth, real-time user interactions without requiring page reloads.

Focused on maintaining data accuracy, providing real-time updates, and ensuring easy access to key operational insights.

Krishco Engineer Pvt. Ltd.

- Tech Stack: HTML, CSS, JavaScript, Bootstrap
- Live Site: : <https://krishco.com/>

Worked on designing and developing a modern, responsive corporate website for Krishco Engineers Pvt. Ltd.

I focused on creating clean, user-friendly web pages that align with the latest UI/UX standards. Using HTML, CSS, JavaScript, and Bootstrap, I ensured the site not only looks professional but also performs smoothly across all devices and browsers. Accessibility and design consistency were top priorities, helping to deliver an intuitive experience for every user.

Rays Renewal Solar Energy Pvt. Ltd.

- Tech Stack: HTML, CSS, JavaScript, Bootstrap
- Live Site: <https://raysrenewalsolar.com/index.html>

Designed and developed a responsive website for Rays Renewal Solar Energy, with a strong focus on clean layout, user-centric design, and smooth, intuitive navigation. Leveraged Bootstrap to create a consistent visual structure and ensure the site works seamlessly across all devices. Worked closely with the team on branding and UI styling, paying special attention to the strategic placement of navigation elements and calls-to-action to guide users effectively.
